

Dear **Parent/Carer**

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4 February 2022.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils can wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. There is no expectation that pupils will make a donation to this cause and we’d love everyone in the school to take part in the Number Day.
- In the event that your child would like to donate, we suggest a maximum donation of £1.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. Any money we raise at **Quorn Hall School** will help to make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Charlotte
