Dear Parents and Carers

Academic Year 2022/2023 at Quorn Hall School

I write to advise that we will be altering the times of our school day for pupils with effect from the start of the next academic year on Wednesday 31st August 2022. The school day will begin at 8.30am, therefore taxis will be required to drop pupils at school between 8.30am and 8.45am with breakfast being offered between 8.30am and 9am.

We have made this decision to support the needs of our pupils and increase engagement in learning. It can be more challenging for pupils to concentrate after lunch, particularly if they already find it difficult to focus as a result of their special educational needs. By moving the start time forward, and allowing for a staggered drop off, we hope to minimise any delays in the transition from breakfast to lessons and maximise learning activities in the morning.

Taxis will be required to collect pupils at 2.30pm each school day, these adjustments mean that there is no difference in guided learning hours from this year, we have just shifted the day forwards. We are also writing to local authorities and transport providers to advise them of this.

If you have any queries please do not hesitate to get in touch.

Yours sincerely

Antonia Jackson
Headteacher
