1. Aims

Quorn Hall School is committed to meeting our obligations with regards to attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents/carers to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the Headteacher to account for the implementation of this policy.

As the Group Operations Director of Cavendish Education, Andy Holder, is the Governor responsible for monitoring pupil attendance.

3.2 The Headteacher

The Headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Issuing fixed-penalty notices, where necessary

3.3 The Attendance Officer

The School Attendance Officer:

- Monitors attendance data across the school and at an individual pupil level

- Reports concerns about attendance to the Headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the Headteacher when to issue fixed-penalty notices

3.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

3.5 School office staff

School office staff are expected to take calls from parents about absence and record it on the school system.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 09:30 on each school day.

The register for the first session will be taken at 09:00 and will be kept open until 09:30. The register for the second session will account for the staggered lunch times and will be taken between 12:40 to 13:00 and will be kept open until 13:30.

4.2 Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 09:00 or as soon as practically possible (see also section 7).

An absence should be shared by contacting the school on 01509 414338 or email to Info@QuornHallSchool.com

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Any planned absence should be shared by contacting the school by phone on 01509 414338, by letter or email to Info@QuornHallSchool.com

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If the late arrival is due to circumstances beyond the pupil's control, then late arrivals are marked as authorised.

Parents/carers, whose children are regularly late for school, will be contacted by a member of school staff who will work with the parents/carers to bring about an improvement in punctuality.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on absence with parent/carer to ascertain the reason, by text message and phone call on the day of absence.
- Where contact cannot be made a staged approach is designed see Appendix 2: Contact protocol.
- Ensure proper safeguarding action is taken where necessary.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use.

4.6 Reporting to parents

A pupil's attendance information will be reported to parents/carer in the pupil's annual education report and for their Education and Health Care Plan annual review.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion.

We define 'exceptional circumstances' as one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail).
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision.

5.2 Reducing persistent absence (PA)

The reasons for persistent absence are varied and may be complex. The school will identify pupils or groups of pupils who are at risk of becoming, or who are, persistently absent. Having assessed the reasons for the PA and analysed its profile, we will identify strategies that can be used to address it. In more complex and longer-term cases of poor attendance and persistent absence, interventions may include:

- make parents/carers aware that pupils have become PA, or are at risk of becoming PA and what is expected;
- use of attendance-targeting letters;
- multi-agency meetings and actions plans;
- requests for medical information or information from other services;
- use of local authority enforcement processes and procedures;
- home visiting;
- direct work with children and parents/carers to address root causes of absences;
- engaging specialist services;
- considering options for provision.

5.3 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carer must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year.

- One-off instances of irregular attendance, such as holidays taken in term time without permission.
- Where an excluded pupil is found in a public place during school hours without a justifiable reason.

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

Quorn Hall School has a clear vision for attendance, underpinned by high expectations and core values, which are communicated to and understood by staff, pupils and families. Staff, pupils and families understand that absence from school is a potential safeguarding risk and understand their role in keeping children safe. We have a designated attendance champion in the senior leadership team with clearly assigned responsibilities which are identified within the attendance policy, escalation of procedures and school improvement plan.

7. Attendance monitoring

The attendance officer at our school monitors pupil absence on a daily basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

A pupil's parent/carer is expected to call the school each day their child is ill or absent.

First day absence texts are automatically sent out at 10am each day to all absent pupils with no recorded reason. If school has not had a reply to the text, school will contact the parent/carer of the pupil to discuss the reasons for absence.

If a pupil's absence goes above three days, and/ or we have significant safeguarding concerns, the school will contact (or provide a home visit for the support of) the parent/carer of the pupil to discuss the reasons for this, and provide support where necessary.

If a pupil's absence continues to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Quorn Hall School collects and stores attendance data to:

- Track the attendance of individual pupils.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern.
- Monitor and evaluate those children identified as being in need of intervention and support.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum each year by *Anna Fitzpatrick* (Head of Therapy, Wellbeing, Wider Curriculum and Supervision with responsibility for attendance). At every review, the policy will be approved by the full governing board.
