

QUORN HALL SCHOOL

9th July 2021

Quorn Hall School
Quorn Hall
Meynell Road
Quorn
Leicestershire
LE12 8BQ

Dear Parent or Carer

I am writing to inform you of some changes to our mobile phone policy which is available on our website and sent as an attachment with this letter. Following summer recess pupils will not be able to have their personal mobile phone on them, or use them once on the school site. If you feel that your child needs to bring their phone into school because of the need to communicate with you during the journey from home to school, then they must hand their phone in to their designated member of staff immediately upon arrival. It will be given back to them upon departure. This is in line with national trends and our Safeguarding Policy.

In line with the government guidance around Covid, secondary school pupils should only continue to do home test kits if they are accessing summer schools or activities in a school site. There is no need for primary age pupils (those in year 6 and below) to test over the summer period. Test kits can be collected either from your local pharmacy or ordered online. In addition to this all secondary school students will be offered two on-site Lateral Flow Device tests at school on Tuesday 31st August and Friday 3rd September on their return in the autumn term. Unless we hear otherwise existing consent forms will be taken as authority to carry out this testing. Pupils new to school will be sent the consent form within the next week, please return these as soon as possible in readiness for the start of term. Following the two on-site LFD tests on return in the autumn term, secondary students should continue to test twice weekly at home until the end of September, when this will be reviewed.

Our family support and safeguarding team will be covering all scheduled support meetings over the summer. The phone lines will be open and messages can be left if additional support is required. We will endeavour to get back to you as soon as possible. Individual staff school work mobiles may not be on so please use the main school number 01509 414338. All local authority contact numbers can also be found in our Child Protection Policy which is being sent as an attachment to this letter, and is also available on the website (www.quornhallschool.com).

We do hope you have a lovely summer holiday and look forward to working with you again next year. The school opens to pupils at 9am on Tuesday 31st August 2021, and we look forward to seeing them after the break.

Yours sincerely

Antonia Jackson
Headteacher
