Dear parents and carers

Please be advised that due to severe flooding in the grounds today we have made the decision to close the school at 1pm.

Your child's taxi will be called by the school to collect them at 1pm.

I have attached a social story that you can share with your child to help them understand the dangers of a fast flowing river and also photographs of the grounds as they currently are so you can see why we have made this decision.

We will keep you updated with a decision going forwards.

If you have any further questions please do not hesitate to contact us.

Kind regards

--
